

	TOP MANAGEMENT IMPARTIALITY COMMITMENT			
	Document No: VD-FR-02	Issue Date: 07.04.2025	Rev No: 00	Rev Date: 00.00.0000

As the top management of the Vortex Dynamics LLC, we hereby explicitly declare our commitment to the principles of impartiality and confidentiality in accordance with ISO/IEC 17025:2017, and our responsibility to ensure that these principles are maintained throughout all laboratory activities.

In this context, we commit to:

- Ensuring that all laboratory activities are conducted impartially and independently, in addition to being technically accurate,
- Establishing the necessary mechanisms to identify, evaluate, and eliminate conflicts of interest, and operating these mechanisms effectively,
- Ensuring decision-making processes that are independent of any commercial, financial, political, or social pressures that could affect testing and calibration activities,
- Providing the necessary training to our personnel to raise awareness regarding impartiality,
- Systematically assessing and monitoring all threats that could affect impartiality,
- Ensuring that all information belonging to our customers (including products, designs, technical details, and other confidential information) is accessible only to authorized personnel and is not shared with third parties under any circumstances,
- Ensuring that the confidentiality obligation remains valid for all personnel even after their employment ends.

We hereby undertake these commitments.
